Subject: Position on HB 5232

To whom it may concern,

My name is George Storms and I live and practice law in Grand Rapids. As someone originally from the east coast of the United States, I fell in love with the charm and beauty of the individual homes found in Heritage Hill, as well as the overall neighborhood itself. Given the current state of the economy here in Grand Rapids (with multiple condo developments under construction) I feel that preserving the charm of Heritage Hill will provide a beautiful contrast between two starkly different architectural time periods that make this city the booming fledgling metropolis it has become. For these reasons, I am against HB5232.

Very truly,

George J. Storms
